

# IMPERIAL EDICT: THE IMPERIAL CROWN OF AVALON

In the Year of Our Lord 2024

I am, Llywelyn +++ by the Grace of the Divine and the authority vested in us as the rightful Sovereign of the British Isles and territories, the Roman Heritage, the Celtic Tradition, and the Ancient Legacy of Atlantis, I do hereby declare and institute this imperial edict.

## Preamble

Whereas, it has always been known to all peoples that the histories of our lands are interwoven by the virtue of the threads of valour, wisdom, and unity, and that the crowns of our ancestors—the British, the Roman, the Celtic, and the Atlantean—stand as testament to our shared legacy and legitimacy.

Whereas, the ancient tales of our noble forebears, from the majestic provinces of Rome to the mystical realms of Atlantis, call us to a greater purpose, one that transcends the ignorant divisions of the past ages.

Whereas, we recognize the inherent dignity and worth of all peoples within our domains, and aspire to abandon the dark age myths which has produced seemingly endless quarrels and so much bloodshed, nearly breaking us on the rocks in the vast darkness of ignorance.

We now command a change of course, and steer for a golden age, with the truth and justice as our bearings to guide us. We shall endeavor to arrive at an enlightened future of peace, prosperity, and harmony for all our peoples. Only then shall we be content to drop sail, set hook, and settle our peoples. Never again shall we be found floundering so close to our own peril and demise.

## Article I: The Amalgamation of Crowns

1. We hereby unite the crowns of the Atlantic, British, Celtic, and the Roman into a singular sovereign authority—Henceforth known as the Imperial Crown of Avalon.

2. This union shall be known as the **Empire of Avalon**, residing in the spirit of unity, strength, and historical legitimacy by the virtue of the continuity of the sovereignty derived from the constitutional laws and customs of our forebearers.

## Article II: The Office of Sovereign

1. The office of the Sovereign shall henceforth be known as the Emperor of Avalon, High King or Queen of Avalon, and the Sovereign of the United Crowns; titles that embody the essence of leadership over our united realms.

2. The Emperor shall be entrusted with the governance of the empire, and the leadership of the military; upholding and defending the laws, traditions, and values derived from our diverse heritages.

3. An assault on the Emperor is an assault on the people.

## Article III: Council of Unity

1. We shall establish a Council of Unity, composed of representatives from all regions of the empire, including the British Isles, Roman provinces, Celtic territories, and the ancient lands of Atlantis.

2. This Council shall serve as an advisory body to the Emperor, ensuring that the voices and aspirations of all peoples are heard and respected.

#### Article IV: Cultural Renaissance

1. In honor of our united heritage and legitimate unifying history, we shall promote a renaissance of culture, art, and philosophy inspired by the shared wisdom of our ancestors, fostering education and understanding across the empire.

2. We shall celebrate our shared and separate legends, traditions, cultures, and languages, forging a common identity that honours our diverse roots and wealthy character.

#### Article V: Citizens of the Empire of Avalon

1. Every citizen is a free as the sovereign from birth. Which is not to be denied unless they cause injury through their own fault.

2. No legislation or judgment may deprive a citizen of this ancient right.

3. An assault on the people is an assault on the Emperor.

#### Article VI: Law

1. The Imperial law is the sovereign law of the land.

2. The laws and customs of the peoples are to be upheld unless they interfere with the tranquility and harmony of our domain.

#### Article VII: Proclamation of Peace

1. We declare a commitment to peace and mutual respect among all peoples, both within our empire and beyond, striving for harmony and collaboration in all endeavors.

2. Let it be known that the Imperial Crown of Avalon stands as a beacon of hope, wisdom, and unity in a world that yearns for understanding and cooperation.

Conclusion

For the prosperity of our people and all peoples, it is so ordered.
